

PRESS RELEASE – May 11, 2015

Communications: 972-624-3156

Shoreline trails, Lions Club playground closed

THE COLONY, Texas — The Colony Shoreline Trail and The Tribute Nature Trail are currently closed until further notice due to the high water levels at Lewisville Lake.

With the current forecast calling for more rain over the next 10 days, the trails will likely remain closed for an extended period. Once conditions improve and the trails dry out, maintenance will work to restore safe conditions and we will reopen the trails as soon as possible.

Additional, the playground at Lions Club Park is currently closed due to unsafe conditions caused by a “sink hole” that opened up over the weekend when an underground storm drainage pipe failed. As soon as this can be repaired we will reopen the playground. If you visit Lions Club Park for other purposes in the meantime, please use extreme caution.

For more information, contact the Parks & Recreation Department at 972-625-1106.
